# MISPRINTED TYPE

---

This is a freeware typeface. This means you can use it on your commercial and/or non-commercial projects for free\*.

**\*But please read carefully:**

- You cannot redistribute/sell the actual font files in any means (online, cd's, books, etc)
- You cannot sell the font and its characters as stamps, stickers, or any other means where the actual alphabet is what is being sold.
- You cannot embed this font into any software/website that lets people type with it, or use the font as a means to produce products, artworks, etc... If you want to do this, please ask for permission, which is subjected to a license fee. If you are not using the font in any of the above mentioned options, feel free to incorporate the fonts into your website layout.

**Support the freeware fonts:**

None of these things are obligated but they are welcome

- Give credits when you use the fonts.
- Purchase one commercial typeface as a way to support the creation of freeware fonts. You may purchase my commercial fonts at: [www.misprintedtype.com](http://www.misprintedtype.com).
